**DISCLOSURE STATEMENT FOR
DEBTOR'S PLAN OF LIQUIDATION
JOINTLY PROPOSED BY DEBTOR
AND COMMITTEE Dated September 16,
2019**

~~Hon. William J. Lafferty, III~~

Hon. William J. Lafferty, III

I. INTRODUCTION

This is the disclosure statement (the “**Disclosure Statement**”) describing the Plan of Liquidation Jointly Proposed By Debtor And Committee dated ~~July 25~~September 16, 2019 (the “**Plan**”), which as the title indicates, is jointly proposed by ANKA Behavioral Health, Inc. (“**ANKA**” or the “**Debtor**”), debtor in possession in the above-captioned chapter 11 case (the “**Bankruptcy Case**”), and the Official Committee of Unsecured Creditors (the “**Committee**”). The Debtor and the Committee are also referred to as the Proponents. This Disclosure Statement also contains information about the Debtor. A full copy of the Plan accompanies this Disclosure Statement.

Your rights may be affected. You should read the Plan and the Disclosure Statement carefully and discuss them with your attorney. If you do not have an attorney, you may wish to consult one.

The Proponents believe that the Plan provides the best possible recoveries for creditors that can be achieved in any reasonable time frame (*but see Risk Factors, Article IV above*) and that possible alternatives are likely to result in delayed distributions and diminished recoveries for creditors. Therefore, the Proponents urge all Holders of Claims in Classes 2, 3 and 4 to vote to accept the Plan.

A. Purpose of this Document

The Disclosure Statement describes the Debtor and significant events leading up to and occurring during the bankruptcy case; how the Plan proposes to treat claims of the type you hold (i.e. what you will receive on your claim if the Plan is confirmed); who can vote on or object to the Plan; what factors the Bankruptcy Court will consider when deciding whether to confirm the Plan; why the Debtor believes that the Plan is feasible and how the treatment of your claim under the Plan compares to what you would receive on your claim in a liquidation; and the effect of confirmation of the Plan.

Following the background discussion in Part II, the detailed and technical description of the terms of the Plan in Part III, the discussion of risk factors in Part IV and tax consequences in

1 Part V, the Disclosure Statement will discuss in Part VI.D. below the main choice that creditors will
2 be deciding in voting on the Plan, and the Court will be deciding in confirming the Plan, namely,
3 whether it is in the best interest of creditors (a) to confirm the Plan and manage the remaining
4 case duties under the supervision of the existing Committee or (b) to delegate the collection of
5 receivables, the prosecution of avoidance actions, and the pursuit of recovery of insurance
6 proceeds to a Court-appointed and Court-supervised trustee.

7 **Be sure to read the Plan as well as the Disclosure Statement. The Disclosure**
8 **Statement describes the Plan, but it is the Plan itself that will, if confirmed, establish your**
9 **rights.**

10 **B. Deadline for Voting and Objecting; Date of Plan Confirmation Hearing**

11 The Bankruptcy Court has not yet confirmed the Plan described in this Disclosure
12 Statement. This section describes the procedures pursuant to which the Plan will or will not be
13 confirmed.

14 **1. Time and Place of the Hearing to Confirm the Plan**

15 The hearing at which the Bankruptcy Court will determine whether to confirm the
16 Plan will take place on **TBD**, at **TBD**, in Courtroom 220, before the Honorable Judge William J.
17 Lafferty III, located at the United States Bankruptcy Court, Northern District of California, 1300
18 Clay Street, Oakland, California.

19 **2. Deadline for Voting to Accept or Reject the Plan**

6 **C. Disclaimer**

7 **The Court has provisionally approved this Disclosure Statement as containing**
8 **adequate information to enable parties affected by the Plan to make an informed judgment**
9 **about its terms. The Court has not yet determined whether the Plan meets the legal**

13 **II. BACKGROUND**

14 **A. Description of the Debtor and Events Leading to Chapter 11 Filing**

15 ANKA is a 501(c)(3) non-profit behavioral healthcare corporation that operated since
16 1973. It earned national recognition as a result of its ability to design, implement, and operate
17 exceptional, innovative programs. Over the course of a year, ANKA served nearly 15,000
18 individuals and their families and generally had 200-300 clients at any one time at over 50 facilities
19 that it operated throughout California and Michigan. ANKA had residential and Intensive
20 Outpatient Programs (IOP) located in Contra Costa, Alameda, Solano, Sonoma, Santa Clara, Fresno,
21 San Luis Obispo, Santa Barbara, Ventura, Los Angeles, Riverside Counties and Michigan.

22 Before bankruptcy, ANKA employed almost 1,000 professional and specialized staff
23 members and independent contractors across the states of California and Michigan. Its philosophy
24 was to treat the whole person by fully integrating care of both mind and body, always using
25 clinically-proven, psycho-social models designed to promote health and wellness while containing
26 costs. It offered the best and newest treatment methods for those seeking help in a warm and
27 supportive environment. ANKA provided crisis residential treatment, transitional residential

1 treatment, long-term residential treatment, outpatient services, forensic programs and vocational
2 services. Its specific programs included the following:

- 3 • Crisis Residential Treatment for Children & Adults with Co-Occurring Disorders
- 4 • Substance Use Treatment Programs
- 5 • Residential Programs for Children & Adults with Intellectual Disabilities
- 6 • Care/Drop-In Centers
- 7 • Forensic Outpatient & Residential Services
- 8 • Independent & Supportive Housing
- 9 • Mental Health Rehabilitation Centers
- 10 • Veterans Services
- 11 • Assertive Community Treatment/Full-Service Partnerships Programs
- 12 • Transitional Residential for Co-Occurring Disorders
- 13 • Eating Disorder Treatment
- 14 • Homeless Continuum of Care
- 15 • Day Programs/Outpatient Services
- 16 • Vocational Services
- 17 • Emergency Shelter Services
- 18 • U.S. Probation Mental Health Assessment
- 19 • Outreach & Engagement

20 ANKA commenced this bankruptcy case so that it could undertake an orderly wind
21 down of all of its residential and outpatient treatment programs. It worked closely with the
22 California Department of Developmental Services, regional centers, and county mental health
23 agencies to ensure that all of the needs of the patients were met. ANKA's goal was to transition all
24 of the locations to other providers without closing any facilities to ensure that there was no
25 interruption in patient services, and that the employees continued to work at the same locations since
26 they have the knowledge and relationships with the patients. The Company was committed to an
27 orderly and complete transition of its clients and patients to alternate providers before terminating

1 any service or closing any facility.

2 The bankruptcy was necessitated because some vendors threatened to discontinue
3 services, and without those services, ANKA could not operate its business. Additionally, ANKA's
4 financial obligations had grown to a point where its net income from operations would never be
5 sufficient to satisfy even a small portion of its obligations. ANKA's financial difficulties primarily
6 arose because of unexpected losses associated with ANKA's expansion into new developmental
7 disabilities service programs. The licenses for the new locations were unexpectedly delayed due to
8 new regulations and could not be operated for significant periods while expenses accrued
9 immediately. The commencement of this bankruptcy case provided ANKA with the ability to
10 orderly transfer its patients to other providers while making current payments to creditors.

11 **B. Significant Events During the Bankruptcy Case**

12 ANKA commenced the Bankruptcy Case by filing a voluntary petition under
13 chapter 11 of the Bankruptcy Code on April 30, 2019 (the "**Petition Date**"). The Debtor continues
14 to operate its business, manage its financial affairs, and operate its bankruptcy estate as a debtor in
15 possession. As explained below, Debtor's current business operations have been substantially
16 reduced and consist of collection of accounts receivable, and administrative activity associated with
17 this bankruptcy and the wind-down of the Debtor's business. On June 3, 2019, July 8, 2019 and July
18 22, 2019, the Meeting of Creditors was held and concluded.

19 **Appointment of Creditors Committee**

20 On May 8, 2019, the Official Committee of Unsecured Creditors was appointed by
21 the Office of the United States Trustee in the Bankruptcy Case. The three members of the
22 Committee are Health Information Technology Care, LLC, Berkshire Hathaway Homestate
23 Insurance Company, and CallTower, Inc.

24 **Employment of Professionals**

25 On May 21, 2019, the Bankruptcy Court approved the appointment of Trodella &
26 Lapping LLP and Wendel, Rosen, Black & Dean LLP as co-counsel for the Debtor. On May 30,
27 2019, the Bankruptcy Court approved the appointment of BPM, LLP as financial advisor to the

1 Debtor. On June 14, 2019 the Bankruptcy Court approved the appointment of Fox Rothschild LLP
2 as attorneys for the Committee. On May 10, 2019 the Bankruptcy Court directed the appointment of
3 a Patient Care Ombudsman. On May 17, 2019, the Office of the United States Trustee appointed
4 David N. Crapo to that position, which appointment was approved by the Bankruptcy Court on June
5 3, 2019.

6 **Transfer of Debtor's Patients and Termination of Operations**

7 Since the commencement of this case, the Debtor has transitioned all of its patients to
8 other providers. Although most of the patients were transitioned to other providers who took over
9 the Debtor's locations, some were moved to other providers because the counties chose to close the
10 facilities. Many of the ANKA employees were retained by the new companies that came in to
11 operate at the facilities.

12 In connection with the transfer of patients, the Debtor rejected all of its leases of real
13 property for its facilities and rejected numerous contracts between Debtor and various state, county,
14 and private payor agencies ("**Payor Agencies**") whose patients were treated at Debtor's facilities
15 under various programs of the Payor Agencies.

16 **Cash Collateral Stipulation and Collection of Receivables**

17 Prior to filing bankruptcy, the Debtor had entered into secured credit agreements in
18 favor of the Bank of Guam (the "**Bank**"), in the original aggregate principal amount of \$8,898,900.
19 Each of the Credit Agreements is secured by and a Security Agreement executed by the Debtor in
20 favor of the Bank, whereby each Credit Agreement is secured by certain Collateral (as defined in the
21 Security Agreements) consisting of all assets of the Debtor of any kind or nature, including but not
22 limited to all accounts receivable, claims, choses in action, policies and the proceeds of policies for
23 insurance of every kind, general intangibles, equipment, furniture and fixtures (the "Collateral").
24 The Bank's liens were duly perfected by filing financing statements under the Uniform Commercial
25 Code.

26 On the Petition Date, the Bank's Collateral, and in particular, cash collateral
27 consisting of Debtor's accounts receivable, were the only source of income that allowed the Debtor
28

1 to operate in chapter 11. In order for the Debtor to use the cash collateral, the Debtor and the Bank
2 entered into a stipulation to that effect that was approved by the Court in two Cash Collateral Orders
3 (defined in **Exhibit 1** hereto) on an interim and then final basis. In essence, to the extent that the
4 accounts receivable generated and collected by the Debtor after the Petition Date are less than the
5 receivables generated prior to the Petition Date, then the Bank gets a replacement lien such that the
6 value of its Collateral as of the Petition Date does not decrease due to Debtor's activities during the
7 Bankruptcy Case. On the Petition Date, the Debtor estimates that its collectible accounts receivable
8 were at least \$4,000,000.

9 In addition to the liens on the accounts receivable, the Bank's Claim (defined below)
10 is also supported by guarantees by Debtor's two wholly-owned subsidiaries AP&H, Inc. and ANKA
11 MHSA Holding Company LLC (the "**Subsidiaries**") and also secured by the real property owned by
12 the Subsidiaries. The Debtor is cooperating with the Bank to sell the real property owned by the
13 Subsidiaries and will be applying the net proceeds to reduce the Bank's Claim.

14 ~~Pursuant to the Cash Collateral Orders, the Committee was granted the 90 Day~~
15 ~~Challenge Period (from June 14, 2019 to September 12, 2019) during which the Committee may~~
16 ~~challenge, seek to avoid or otherwise object to the Bank Claim. The Committee is currently in the~~
17 ~~process of investigating all potential challenges to the Bank Claim.~~

18 During the Bankruptcy Case and as of the date of this Disclosure Statement, the
19 Debtor has paid \$1,904,296.99 to the Bank from the proceeds of accounts receivable, and the
20 Subsidiaries have paid the Bank \$69,773.05 from the proceeds of the sale of real property. As of
21 July 23~~29~~, 2019, the Bank's Claim is approximately \$ _____, \$5,172,037.82, and the
22 Debtor's collectible accounts receivable are estimated to be \$ 2,050,976.35.

23 **Mediation and Settlement Agreement with the Bank**

24 In August, 2019, the Bank objected that the amounts in the cash collateral stipulation
25 approved by the Cash Collateral Orders to be paid to the Bank from the collection of accounts
26 receivable had fallen short by \$700,000 and that the Debtor had continued to use cash collateral
27 following the expiration of the approved budget without the Bank's consent or Court order, and

1 alleged that as a result of this and other factors the Debtor had breached the stipulation, and refused
2 to consent to the Debtor's further use of cash without a new agreement. On August 26, 2019, the
3 Bank, the Debtor, and the Committee attended a mediation with Randy Michelson, a member of the
4 Northern District of California Bankruptcy Dispute Resolution Panel and, as a result, agreed to a
5 settlement that included in summary, the Bank's support for the current Plan, and the following
6 terms:

- 7 1. The amount of the Bank's prepetition claim at the date the case commenced would be
8 capped at \$7,050,000, which includes a waiver of its rights to attorneys' fees.
- 9 2. The Bank's secured claim against accounts receivable to be collected after September 1,
10 2019, would be capped at \$682,000.
- 11 3. The Bank agreed to the cost of employing the Debtor's CEO until November 1, 2019,
12 and other collections personnel pursuant to a new budget.
- 13 4. The parties agreed that all further accounts receivable collections would be allocated
14 60% to the Bank, up to \$682,000, 37% to the professional fee carve out that had not
15 been funded, up to \$250,000, and 3% to an unsecured creditors fund that cannot be used
16 for any other purpose except distributions to unsecured creditors, no limit on amount.
- 17 5. If the allocation to the Bank falls short of \$682,000, then the difference, equal to the
18 Bank Gap Claim in the Plan, will be treated as a secured claim against funds recovered
19 in actions on avoidable transfers and insurance proceeds, described below, up to the
20 amount of the Bank Gap Claim, if any.
- 21 6. The Bank agreed to consent to all past use of cash collateral, and future use under the
22 new budget to be agreed upon between the Debtor and the Bank.
- 23 7. The Committee agreed to withdraw any potential challenge that the Bank's prepetition
24 claim was not duly perfected.
- 25 8. The Bank agreed to support the current Plan provided it contained the agreed terms.
- 26 9. The Bank agreed to release the Debtor and Committee (and their professionals) from the
27 various allegations alleged with respect to the Bank's objections to the Debtor's use of

1 cash collateral.

2 10. The Committee granted a general release in favor of the Bank.

3 11. The Debtor granted a general release in favor of the Bank and the Committee.

4 This agreement resulted in a formal settlement agreement that was submitted to the Court for
5 approval, and said settlement agreement was approved by the Court.

6 **Accounts Receivable Collections**

7 Due to the nature of the Debtor's business, the collection of accounts receivable
8 requires access to confidential patient information maintained by Debtor that was reported to the
9 Payor Agencies to support the Debtor's billings. The confidentiality of patient information is
10 governed by the HIPAA Privacy Rule of the federal Department of Health and Human Services
11 under the Health Insurance and Portability Accountability Act ("HIPAA"), and analogous
12 California statutes and regulations. All staff involved on behalf of the Debtor in the management
13 and collection of accounts receivable must be and currently are certified to be HIPAA qualified. In
14 addition, many of Debtor's contracts with Agency Payors are "cost plus" contracts, meaning the
15 Debtor is required to collect and submit the eligible costs in order to justify its reimbursement. The
16 Debtor's efforts to comply with the various billing protocols and collect the remaining outstanding
17 receivables are important to cost-effectively reducing the Bank's Claim, which has a secured and
18 unsecured component, and thus improving the recoveries of all unsecured creditors.

19 **Records Management**

20 Title 22, Division 5, § 70001 and following of the California Code of Regulations,
21 contain provisions that require health care providers to keep patient records for a minimum of seven
22 years or three years after a juvenile has turned 18, whichever is longer, and to provide access to
23 patients, insurers and government agencies on request. At the Petition Date, the Debtor's patient
24 records consisted of voluminous paper records commingled with non-patient records stored in
25 facilities in northern and southern California and in the locations of the former facilities. Since
26 2016, the Debtor's records have been maintained electronically. During the Bankruptcy Case, the
27 Debtor's staff have been taking the paper records out of storage, destroying records that are not

required, and indexing the remainder for storage, future access, and timed destruction when permitted.

The Debtor is seeking to arrange for a HIPAA qualified company to store the patient records and provide access to future requestors for a fee as permitted by the regulations. The cost of this has not been determined but will be an administrative expense of the Bankruptcy Case.

Professional Fees

Professionals for the Debtor and the Committee filed applications to approve fees and expenses through July 31, 2019, that were heard by the Court on August 28, 2019. The Court approved the applications of the Patient Care Ombudsman and DRC in full. As to the other professionals, the Court approved 70% of the fees and reserved judgment as to 30% pending further developments in the case.

Professional fees continue to accrue and will be subject to further review by the Court. The Monthly Operating Report for August reflects additional professional fees for August totaling \$_____.

C. Recovery of Avoidable Transfers and Insurance Proceeds

The Bankruptcy Code permits the Debtor or a designee, including the Liquidation Trustee under the Plan, to recover certain transfers such as preferences (a payment or other transfer to an unsecured creditor within 90 days of the bankruptcy) where the aggregate amount transferred is at least \$6,425. The Debtor and the Committee have performed a preliminary analysis of payments within 90 days of the bankruptcy and, excluding payments that will not qualify due to amount, and payments that will be deemed ordinary course or on their face will not qualify, such as payroll, pension contributions, secured debt payments, and advance payments to professionals, the total

1 payments potentially recoverable appear to exceed \$3,000,000. Actual recoveries are likely to be
2 less, but the Debtor and the Committee have not yet completed ~~an~~the investigation with regard to
3 these prepetition transactions, ~~including preferences~~ and other potentially avoidable transfers.
4 Recoveries of avoidable transfers ~~are not subject to the Bank's liens and, therefore,~~ may form a pool
5 of assets that can be distributed to unsecured creditors.

6 In addition to the above, the Debtor had a policy of insurance for claims made against
7 its officers ~~and directors~~ with an aggregate limit of \$5 million (the “**D&O Insurance**”). The
8 Committee and the Bank have notified the Debtor of potential claims that may be covered by the
9 D&O Insurance, and the Debtor duly and timely tendered these claims to the insurance broker and
10 the issuer of the D&O Insurance policy. The validity and value of such claims is unknown. Any
11 recoveries of insurance proceeds may also become part of the pool of assets that can be distributed to
12 unsecured creditors.

13 **D. Current Financial Condition**

14 Apart from potential recovery of avoidable transfers and D&O Insurance proceeds,
15 the Debtor has no significant assets that can be monetized for distribution to unsecured creditors.
16

3 practicable, ~~but in any event, after the conclusion of the 90 Day Challenge Period and the prosecution~~
4 ~~of any challenge brought during the 90 Day Challenge Period, the Liquidation~~ (i) the Specific

6 (ii) the difference, if any, between (x) \$682,000.00 and (y) the Bank Pre-Effective Date Payments
7 received between September 1, 2019 and the Effective Date (the “**Bank Gap Claim**”). Commencing
8 on the Effective Date, until the date that the Bank Gap Claim has been satisfied in full, the Liquidation
9 Trustee shall distribute to the Bank: (i) 60% of the Aggregate Liquidation Proceeds until the
10 Professional Fee Fund has been funded up to the Professional Fee Carve Out Fund Cap; and, then,
11 thereafter (ii) 97% of the Aggregate Liquidation Proceeds. Promptly after the date that the Bank Gap
12 Claim has been satisfied in full, the Bank shall release its Liens on all Bank Collateral other than the
13 Bank Real Property Collateral. Any balance of the Class 2 Bank Claim, to the extent not ~~secured by~~
14 ~~the Bank Collateral or Replacement Lien Collateral or not~~ satisfied from the Specific Liquidation

18 (ii) ***Class 3 General Unsecured Claims***. Class 3 Claims are Impaired under the
19 Plan. Under the Plan, each Holder of an Allowed Claim that is a General Unsecured Claim shall
20 receive on the Effective Date, or as soon thereafter as may be practicable, an amount equal to such
21 Holder’s pro rata share of the ~~Liquidation Proceeds remaining after payment in full of all Allowed~~
22 ~~Administrative Claims, Allowed Priority Tax Claims, Allowed Non Tax Priority Claims, and Allowed~~
23 ~~Secured Claims~~Unsecured Claim Fund. The Bank Unsecured Claim shall be Estimated for purposes
24 of voting on the Plan; provided, however, that the Bank shall receive no distributions from the
25 Unsecured Claim Fund on account of the Bank Unsecured Claim until the Bank Gap Claim has been
26 satisfied in full and the Bank has received all Specific Liquidation Proceeds of the Bank Real Property
27 Collateral, such that the actual amount of the Bank Unsecured Claim can be determined; rather,

1 amounts for distribution on account of the Bank Unsecured Claim shall be reserved and held using the
2 Estimated amount of the Bank Unsecured Claim for the purposes of calculating the reserve.

3 (iii) ***Class 4 Other Secured Claims.*** Class 4 Claims are Impaired under the Plan.
4 Under the Plan, each Holder of an Allowed Other Secured Claim shall, at the election of the
5 Liquidation Trustee, (a) have the collateral securing its Secured Claim abandoned to it, (b) be entitled,
6 upon the Effective Date, to exercise any and all rights related to (i) foreclosure and realization upon
7 its collateral, or (ii) setoff under Bankruptcy Code § 553, as the case may be, or (c) be paid the amount
8 of its Allowed Other Secured Claim in full, in Cash, on or as soon as practicable after the later of (i)
9 the Effective Date, (ii) the date any such Claim becomes an Allowed Claim, or (iii) the date on which
10 sufficient Net proceeds are generated from the ~~Disposition~~disposition of the collateral securing such
11 Claim. Any balance of a Class 4 Claim, to the extent not secured by Collateral or not satisfied from
12 the Liquidation Proceeds of such collateral, shall be treated as a Class 3 Claim.

13 **3.4 Retention of Defenses and Rights of Setoff Regarding Claims.** Except as otherwise
14 provided in the Plan or settlement agreements approved by the Court, nothing shall prejudice the
15 Debtor's, the Liquidation Trustee's and the Disbursing Agent's rights and defenses, both legal and
16 equitable, with respect to any Claims, including, but not limited to, all rights of setoffs or recoupment
17 with respect to such Claims.

18 ARTICLE IV

19 **ACCEPTANCE OR REJECTION OF THE PLAN**

20 **4.1 Impaired Classes of Claims Entitled to Vote.** Subject to Section 4.5 of the Plan, the
21 Holders of the Class 2-~~Secured~~ Bank Claim, Class 3 General Unsecured Claims, and Class 4 Other
22 Secured Claims are entitled to vote to accept or reject the Plan.

23 **4.2 Acceptance by Impaired Classes.** In accordance with section 1126(c) of the
24 Bankruptcy Code and except as provided under sections 1126(e) & (g) of the Bankruptcy Code, an
25 Impaired Class of Claims shall have accepted the Plan if the Plan is accepted by the Holders of at least
26 two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims of
27 such Class that have timely and properly voted to accept or reject the Plan.

4.3 Acceptance by Unimpaired Classes and Unclassified Claims. Pursuant to section 1126(f) of the Bankruptcy Code, each Unimpaired Class of Claims is presumed to have accepted the Plan and, therefore, votes to accept or reject the Plan will not be solicited from such Classes. Holders of Class 1 Allowed Non-Tax Priority Claims will be paid in full on the Effective Date. To the extent that a Holder of a Class 1 Non-Tax Priority Claim does not file a timely and proper objection to the Plan in accordance with the requirements set forth herein, such Holder may be deemed to have accepted the treatment as set forth in Article III of the Plan.

4.4 Cramdown. If any Impaired Class of Claims entitled to vote shall not accept the Plan by the requisite majorities provided in section 1126(c) or 1126(d) of the Bankruptcy Code, as applicable, the Plan Proponents reserve the right to (i) amend the Plan, or (ii) to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code, or (iii) both amend the Plan and seek Confirmation of any amended plan pursuant to section 1129(b) of the Bankruptcy Code.

ARTICLE V

IMPLEMENTATION OF THE PLAN

5.1 Conditions to Effective Date. Unless waived by the Plan Proponents, the following are conditions precedent to the occurrence of the Effective Date: (a) the Confirmation Order, in a form reasonably satisfactory to the Plan Proponents, ~~that approves all of the terms and conditions of the Plan and all distributions to be made pursuant thereto,~~ shall have been entered by the Bankruptcy Court and shall be a Final Order, and no request for revocation of the Confirmation Order under section 1144 of the Bankruptcy Code shall have been made, or, if made, shall remain pending; (b) no stay shall be in effect with respect to the Confirmation Order; and (c) all documents, agreements and instruments required for the consummation of the Plan shall have been executed, shall not be subject to dispute, and shall be valid and legally binding obligations of the parties thereto. Until the foregoing conditions are satisfied or waived in accordance with the preceding sentence, the Estate shall remain vested in the Debtor as debtor in possession.

5.2 Funding. In accordance with sections 1123(a)(5)(D) and 1123(b)(4) of the Bankruptcy

1 Code, all Assets of the Estate shall be sold, otherwise liquidated, distributed, or abandoned. As of the
2 Effective Date, the Liquidation Proceeds, and the Assets of the Estate, including all Cash of the Estate,
3 shall be transferred, conveyed and assigned to the Liquidation Trust.

4 **5.3 Liquidation Trust.** On or before the Effective Date, the Debtor shall establish a
5 liquidation trust in accordance with the Liquidation Trust Agreement. On the Effective Date, the
6 Debtor shall be deemed to have transferred the Liquidation Proceeds and all other Assets of the Estate
7 to the Liquidation Trust pursuant to the terms of the Liquidation Trust Agreement. A Liquidation
8 Trustee acceptable to the Plan Proponents shall be appointed pursuant to the Liquidation Trust
9 Agreement and shall be responsible for liquidating and administering the Trust Assets and for all
10 distributions pursuant to the Plan. On the Effective Date, subject to approval of the Bankruptcy Court,
11 the Liquidation Trustee shall become the appointed representative of the Estate in accordance with
12 section 1123(b)(3) of the Bankruptcy Code, shall assume all liabilities of the Estate and shall pay such
13 liabilities as provided under the Plan. Under the Liquidation Trust Agreement, the Liquidation Trustee
14 shall report to, consult with, and generally be supervised by the Trust Oversight Committee, which
15 shall consist of the current members of the Committee, and essentially be a continuation of the
16 Committee after Confirmation. The members of the Trust Oversight Committee will serve without
17 compensation, except for reimbursement of expenses.

18 **5.4 Liquidation Trustee.** The Liquidation Trustee shall be a person who has previously
19 qualified and served as a bankruptcy trustee, plan administrator or liquidating trustee in a case
20 ~~pending filed~~ in the Northern District of California, and subject to Court ~~Approval~~ approval. The
21 Liquidation Trustee shall have and perform all of the duties, responsibilities, rights and obligations set
22 forth in the Liquidation Trust Agreement. The Liquidation Trustee may retain counsel and other
23 professionals as the Liquidation Trustee, in his or her sole discretion, deems appropriate, without
24 further order of the Bankruptcy Court, to assist the Liquidation Trustee in performing his or her duties,
25 rights and obligations under the Plan. At present, the Plan Proponents have nominated Lynn
26 Schoenmann, an experienced bankruptcy trustee, to be the Liquidating Trustee subject to Court
27 Approval, and Lynn Schoenmann has indicated that she will accept the appointment subject to her

1 final due diligence.

2 **5.5 Disbursing Agent.** The Liquidation Trustee shall also serve as the Disbursing Agent
3 for the purpose of implementing the Plan.

4 **5.6 Liquidation Trustee's and Disbursing Agent's Rights, Powers and Duties.** On and
5 after the Effective Date, as set forth in the Liquidation Trust Agreement, the Liquidation Trustee and
6 Disbursing Agent shall have, among others, the following rights and powers (including all of the rights
7 and powers of a trustee appointed under the Bankruptcy Code) with respect to the implementation of
8 the Plan:

- 9 (i) To invest all Cash of the Liquidation Proceeds;
- 10 (ii) To make all required distributions under the Plan;
- 11 (iii) To employ, supervise and compensate Professionals retained to represent the
12 interests of the Liquidation Trustee in connection with the Plan;
- 13 (iv) To make and file tax returns as required by applicable state, federal or local
14 laws;
- 15 (v) To object to Claims Filed or otherwise asserted against the Debtor, the Estate
16 and property of the Debtor or the Estate;
- 17 (vi) To seek an estimation of contingent or unliquidated Claims under section 502(c)
18 of the Bankruptcy Code;
- 19 (vii) To seek the determination of the Debtor's tax liabilities under section 505 of
20 the Bankruptcy Code;
- 21 (viii) To prosecute all Litigation Claims whether pending as of the Effective Date or
22 commenced thereafter, including but not limited to any and all claims against the Debtor's former
23 officers that are covered under policies of insurance;
- 24 (ix) To sell the Assets free and clear of all liens, claims and interests to the fullest
25 extent provided in section 1123(a)(5)(D) of the Bankruptcy Code;
- 26 (x) To surcharge the Assets and their proceeds for costs of preservation and
27 disposition to the fullest extent provided in section 506(c) of the Bankruptcy Code;

(xi) To amend or modify the Plan in accordance with section 1127 of the Bankruptcy Code; and

(xii) To file and prosecute such motions, applications or other pleadings in the Bankruptcy Court or other appropriate forum, and exercise all other powers and rights, and take all other actions necessary or appropriate to implement the Plan.

5.7 Exculpation and Indemnification of the Liquidation Trust and Liquidation Trustee.

From and after the Effective Date, to the fullest extent permitted by applicable law, the Liquidation Trustee and each of the Liquidation Trustee's representatives shall not have and shall not incur any liability to any Person from any and all claims, causes of action and other assertions of liability arising out of the discharge of the powers and duties conferred upon the Liquidation Trustee by the Plan, the Liquidation Trust or any court order after the Effective Date pursuant to or in furtherance of the Plan, the Liquidation Trust or applicable law, or otherwise, except for willful misconduct or gross negligence as determined by a Final Order. No Holder of a Claim, or any other party in interest, will have or pursue any claim or cause of action against the Liquidation Trustee, the Liquidation Trust or their respective representatives, for making payments or distributions in accordance with the Plan or for implementing the provisions of the Plan, except for claims of willful misconduct or gross negligence. Any act or omission taken that is consistent with the provisions of the Plan, the Liquidation Trust or court order, will be conclusively deemed not to constitute gross negligence or willful misconduct. To the fullest extent permitted by applicable law, the Liquidation Trust will indemnify, hold harmless, defend and reimburse the Liquidation Trustee and each of his or her designated representatives from and against any and all losses, claims, causes of action, damages, fees, expenses, liabilities and actions for any act or omission taken pursuant to the Plan, the Liquidation Trust or court order, except for willful misconduct or gross negligence as determined by a Final Order. All rights of the Persons exculpated and indemnified pursuant hereto shall survive confirmation of the Plan and the closing of the Chapter 11 Case.

1 **5.8 Post-Confirmation Management.** From and after the Effective Date, the Liquidation
2 Trustee shall manage the Liquidation Trust and control and perform all post-Confirmation
3 responsibilities, including implementation of the Plan. From and after the Effective Date, all fees shall
4 be paid to the Liquidation Trustee and any other Professionals retained by the Liquidation Trustee
5 without approval of the Bankruptcy Court.

6 **5.9 Record Date for Distributions.** At 5:00 p.m. prevailing Pacific time on the Record
7 Date, the transfer records for Allowed Claims shall be closed, and there shall be no further changes in
8 the Holders of record of any Allowed Claims. Neither the Debtor, the Liquidation Trustee nor the
9 Disbursing Agent shall be obligated to recognize the transfer of any Allowed Claims after the Record
10 Date but shall be entitled to recognize, for all purposes hereunder, only those Holders of record as of
11 5:00 p.m. prevailing Pacific time on the Record Date.

12 **5.10 Fractional Dollars; De Minimis Distributions.** Notwithstanding any other provision
13 of the Plan, (a) the Liquidation Trustee and Disbursing Agent shall not be required to make distribution
14 or payments of fractions of dollars, and whenever any payment of a fraction of dollars under the Plan
15 would otherwise be called for, the actual payment made shall reflect a rounding of such fraction to the
16 nearest whole dollar, with one-half (1/2) dollar being rounded down, and (b) the Liquidation Trustee
17 and Disbursing Agent shall not have any obligation to make any distribution to a specific Holder of
18 an Allowed Claim if the amount to be distributed to that Holder on the relevant Distribution Date is
19 less than \$10.

20 **5.11 Executory Contracts and Unexpired Leases.** All executory contracts and unexpired
21 leases that (i) the Debtor entered into prior to the Petition Date, (ii) are executory as of the Effective
22 Date, and (iii) have not been assumed or rejected pursuant to section 365 of the Bankruptcy Code
23 before the Effective Date, shall be deemed rejected as of the Effective Date; *provided, however*, that
24 no such rejection shall occur as to any policies of insurance in force as of the Effective Date under
25 which the Debtor is an insured. Any Claim arising from such rejection under the Plan shall be filed
26 within thirty (30) days of the Effective Date or forever be barred from recovery against the Estate.

27 **5.12 Disputed Claims.** The Liquidation Trustee and Disbursing Agent reserve all rights to
28

1 prosecute any and all timely Filed objections to Claims, including Administrative Claims, after the
2 Confirmation Date. Any such objection shall be litigated to decision or settled after such notice and
3 opportunity for hearing as shall be appropriate in the Bankruptcy Court's discretion. Any such
4 objection shall be commenced not later than the Claims Objection Deadline. No disbursement shall
5 be made on account of any Claim, including any Administrative Claims, as to which an objection has
6 been interposed, or as to which a counterclaim or setoff has or may be asserted, unless and until the
7 objection, counterclaim or setoff is resolved by a Final Order. The Liquidation Trustee or Disbursing
8 Agent shall reserve sufficient funds to satisfy any Disputed Claim to the extent provided for in the
9 Plan.

10 **5.13 Effect of Appeals.** Provided that the Confirmation Order is not stayed pending appeal,
11 the Plan Proponents may consummate the Plan notwithstanding such pending appeal, or the timely
12 service and filing of a motion pursuant to Bankruptcy Rules 7052, 7062, 8002(b), 8002(c), 8003, 8015,
13 9023 or 9024.

14 **5.14 Unclaimed Disbursements.** All distributions made pursuant to the Plan that are not
15 negotiated within ninety (90) days after the relevant Distribution Date and that consequently become
16 unclaimed shall revert to and become property of the Liquidation Trust, free and clear of any and all
17 Claims, Interests, demands and causes of action, but subject to further redistribution in accordance
18 with the Plan.

19 **5.15 Injunction.** Except for such actions as Holders may take to prosecute or defend
20 their respective Claims in the Bankruptcy Court, entry of a Confirmation Order will operate as
21 an injunction against the commencement or continuation of an action, the employment of
22 process, or any act to collect, recover or offset any Claim of any Holder until the entry of a final
23 decree or the dismissal of the Chapter 11 Case.

24 **5.16 Retention of Claims.** Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, the
25 Litigation Claims shall be retained, prosecuted and enforced by the Liquidation Trustee.

26 **5.17 Continued Corporate Existence.** Subject to the provisions of the Plan, the Debtor
27 shall continue to exist after the Effective Date as a separate corporation, in accordance with applicable
28

1 law and pursuant to its articles of incorporation as amended and in effect prior to the Effective Date,
2 provided however, that the purpose of the Debtor shall be limited to taking such actions as are
3 necessary to implement, and are consistent with implementing, the Plan. On the Effective Date, the
4 Liquidation Trustee shall be deemed to be sole director of the Debtor. Any dispute as to the propriety
5 of any action sought to be taken by the Debtor shall be resolved by the Bankruptcy Court. Subject to
6 the provisions of the Plan, as soon as practicable after the Liquidation Trustee makes the final
7 distribution of Cash under the Plan and the Liquidation Trust Agreement, the Liquidation Trustee shall
8 effectuate the dissolution of the Debtor in accordance with applicable law. On the Effective Date, all
9 Assets of the Debtor and the Estate shall vest in the Liquidation Trust.

10 **5.18 Amendments, Modifications, Revocation and Interpretation of the Plan.** Before
11 the Confirmation Date, the Plan Proponents may alter, amend, modify or withdraw the Plan at any
12 time subject to section 1127 of the Bankruptcy Code. In the event that inconsistencies exist between
13 the Plan and the Disclosure Statement, the Plan shall govern.

14 **5.19 Exemption from Certain Transfer Taxes.** Pursuant to section 1146(a) of the
15 Bankruptcy Code, the issuance, transfer or exchange of any security or the making or delivery of any
16 instrument of transfer under the Plan, including the transfer of the Liquidation Proceeds and all other
17 property of the Estate to the Liquidation Trust, may not be taxed under any law imposing a stamp tax
18 or similar tax. Any sale of any property of the Liquidation Trust occurring on or after the Effective
19 Date shall be deemed to be in furtherance of the Plan.

20 **5.20 Jurisdiction.** The entry of a Confirmation Order shall not diminish or impair the
21 Court's subject matter jurisdiction. Until the entry of a final decree, the Court shall retain subject
22 matter jurisdiction of the Chapter 11 Case, and all proceedings arising therein or related thereto,
23 including proceedings that aid the consummation of the Plan, to the fullest extent permissible under
24 applicable law. Without limiting the generality of the foregoing, the Bankruptcy Court shall retain
25 jurisdiction over:

26 (i) ***Claims.*** To determine the allowance, classification, or priority of Claims
27 against the Debtor;

1 (ii) **Actions.** To determine all applications, motions, adversary proceedings,
2 contested matters, Litigation Claims, and any other litigated matters instituted in the Chapter 11 Case
3 or on behalf of the Debtor or the Liquidation Trust;

4 (iii) **Professional Fees.** To determine any and all applications by Professionals for
5 compensation and reimbursement of expenses before the Effective Date, as provided for in the Plan;

6 (iv) **Injunctions.** To issue injunctions or take such other actions or make such other
7 orders as may be necessary or appropriate to restrain interference with the Plan or its execution or
8 implementation by any Person, to construe and to take any other action to enforce and execute the
9 Plan, the Confirmation Order, or any other order of the Bankruptcy Court, to issue such orders as may
10 be necessary for the implementation, execution, performance and consummation of the Plan and all
11 matters referred to herein, and to determine all matters that may be pending before the Court in the
12 Chapter 11 Case on or before the Effective Date;

13 (v) **Priority Claims and Administrative Claims.** To determine the allowance and
14 classification of any Priority Tax Claim, Non-Tax Priority Claims, Administrative Claims, or any
15 request for payment of an Administrative Claim;

16 (vi) **Secured Claims.** To determine the validity, priority or extent of any Secured
17 Claims.

18 (vii) **Dispute Resolution.** To resolve any dispute arising under or related to the
19 implementation, execution, consummation or interpretation of the Plan and the making of distributions
20 thereunder, including, without limitation, any dispute concerning payment of Professional fees and
21 expenses of the Liquidation Trustee;

22 (viii) **General Matters.** To determine such other matters, and for such other purposes,
23 as may be provided in the Confirmation Order or may be authorized under provisions of the
24 Bankruptcy Code;

25 (ix) **Plan Modification.** To modify the Plan under section 1127 of the Bankruptcy
26 Code, remedy any defect, cure any omission, or reconcile any inconsistency in the Plan or the
27 Confirmation Order so as to carry out its intent and purpose;

(x) *Aid Consummation*. To issue such orders in aid ~~of~~ consummation of the Plan and the Confirmation Order notwithstanding any otherwise applicable non-bankruptcy law, with respect to any entity, to the full extent authorized by the Bankruptcy Code;

(xi) *Implementation of Confirmation Order*. To enter and implement such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, revoked, modified or vacated;

(xii) *Enforcement of Orders*. To enforce all orders, judgments, injunctions, releases, exculpations, indemnifications and rulings entered in connection with the Chapter 11 Case;

(xiii) *Taxes*. To hear and determine matters concerning state, local and federal taxes in accordance with sections 346, 505 and 1146 of the Bankruptcy Code;

(xiv) *Post-Effective Date Professionals*. To hear and determine disputes with respect to the Liquidation Trustee's Professionals; and

(xv) *Final Decree*. To enter a Final Decree closing the Chapter 11 Case.

IV. RISK FACTORS

The proposed Plan has among the following risks: (1) the collection of accounts receivable may be less than expected, which may result in the Bank holding a larger unsecured claim than expected; and (2) the proceeds of avoidable transfers and the D&O Insurance, which are the main sources of funds for unsecured creditors, may not be sufficient to result in meaningful or, possibly, any distributions to general unsecured creditors.

V. TAX CONSEQUENCES OF PLAN

Creditors concerned with how the Plan may affect their tax liability should consult with their own accountants, attorneys, and/or advisers. The following are the anticipated tax consequences of the Plan:

Since the Debtor is a non-profit corporation, all federal income tax consequences of the Plan will not affect the Debtor and will be unique to each creditor.

The above text is only the most basic statement of the anticipated tax

1 consequences of the Plan and does not constitute legal or tax advice. Neither the Debtor nor its
2 counsel are experts in tax matters. Neither the Debtor nor the Debtor's professionals have in
3 any way attempted to provide tax advice to any of the Debtor's creditors. The Plan has been
4 drafted with the goal of providing liquidation of the Debtor's business, and not with the goal of
5 minimizing the potential adverse tax consequences to the Debtor's creditors. Interested parties
6 concerned with how the Plan may affect their tax liability should consult their own
7 professional(s).

9 VI. CONFIRMATION REQUIREMENTS AND PROCEDURES

10 To be confirmable, the Plan must meet the requirements listed in section 1129 of the
11 Bankruptcy Code. These include the requirements that: the Plan must be proposed in good faith; at
12 least one (1) impaired class of claims must accept the Plan, without counting votes of insiders; the
13 Plan must distribute to each creditor at least as much as the creditor would receive in a Chapter 7
14 case, unless the creditor votes to accept the Plan; and the Plan must be feasible. These requirements
15 are not the only requirements listed in section 1129 of the Bankruptcy Code and they are not the only
16 requirements for confirmation.

17 A. Who May Vote or Object

18 Any party in interest may object to the confirmation of the Plan if the party believes
19 that the requirements for confirmation are not met. Many parties in interest, however, are not entitled
20 to vote to accept or reject the Plan. A creditor has a right to vote for or against the Plan only if that
21 creditor has a claim that is both (1) allowed or allowed for voting purposes, and (2) impaired.

22 In this case, the Proponents believe that Classes 2, 3, and 4 are impaired and that
23 holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan.
24 The Proponents believe that class 1 is unimpaired and that holders of claims in this class, therefore,
25 do not have the right to vote to accept or reject the Plan.

26 1. What is an Allowed Claim

27 Only a creditor with an allowed claim has the right to vote on the Plan. Generally, a
28

claim is allowed if either (1) the Debtor has scheduled the claim on the Debtor's schedules, unless the claim has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a proof of claim, unless an objection has been filed to such proof of claim. When a claim is not allowed, the creditor holding the claim cannot vote unless the Bankruptcy Court, after notice and hearing, either overrules the objection or allows the claim for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

The deadline for filing a proof of claim in this case is September 3, 2019. The deadline for filing a governmental proof of claim is October 27, 2019.

The deadline for filing an Administrative Claim in this case is October 31, 2019.

2. What is an Impaired Claim

As noted above, the holder of an allowed claim has the right to vote only if it is in a class that is *impaired* under the Plan. As provided in section 1124 of the Bankruptcy Code, a class is considered impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class.

3. Who is Not Entitled to Vote

The holders of the following six (6) types of claims are *not* entitled to vote:

- Holders of claims that have been disallowed by an order of the Bankruptcy Court;
- Holders of other claims that are not Allowed Claims (as discussed above), unless they have been allowed for voting purposes;
- Holders of claims in unimpaired classes;
- Holders of claims entitled to priority pursuant to sections 507(a)(2), (a)(3), and (a)(8) of the Bankruptcy Code;
- Holders of claims in classes that do not receive or retain any value under the Plan; and
- Holders of claims for administrative expenses.

Even if you are not entitled to vote on the Plan, you have a right to object to the

1 **confirmation of the Plan.**

2 **B. Votes Necessary to Confirm the Plan**

3 If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one
4 impaired class of creditors has accepted the Plan without counting the votes of any insiders within
5 that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be
6 confirmed by “cram down” on non-accepting classes, as discussed in Section VI (B)(2).

7 **1. Votes Necessary for Class to Accept the Plan**

8 A class of claims accepts the Plan if both of the following occur: (1) the holders of
9 more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the
10 Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the
11 class, who vote, cast their votes to accept the Plan.

12 **2. Treatment for Nonaccepting Classes**

13 Even if one or more impaired classes reject the Plan, the Court may nonetheless
14 confirm the Plan if the nonaccepting classes are treated in the manner prescribed by section 1129(b)
15 of the Bankruptcy Code. A plan that binds nonaccepting classes of claims can be confirmed if it
16 meets all the requirements for consensual confirmation except the voting requirements of section
17 1129(a)(8) of the Code, does not “discriminate unfairly” and is “fair and equitable” toward each
18 impaired class that has not voted to accept the Plan. **You should consult your own attorney if a**
19 **“cram down” confirmation will affect your claim, as the variations on this general rule are**
20 **numerous and complex.**

21 **C. Feasibility**

22 The Bankruptcy Court must find that confirmation of the Plan is not likely to be
23 followed by the liquidation, or the need for further financial reorganization, of the Debtor or any
24 successor to the Debtor, unless such liquidation or reorganization is proposed in the Plan. (11 U.S.C.
25 § 1129(a)(11).) This provision does not apply because the Plan calls for the liquidation of the
26 Debtor.

27 **D. Liquidation Analysis and Best Interest of Creditors Criteria**

1 The Bankruptcy Court must independently determine that the Plan is in the best
2 interest of all classes of Creditors. The “best interest” test requires that a plan provide to each
3 dissenting member of each impaired Class a recovery that has a present value at least equal to the
4 present value of the distribution which each such Creditor would receive if the Debtor were
5 liquidated under Chapter 7 of the Bankruptcy Code. In this regard, the central choice is whether it is
6 in the best interest of Creditors to continue with the Liquidation Trustee supervised by the
7 Committee, which under the Liquidation Trust Agreement, will become the Trust Oversight
8 Committee, or to hand over the case to a Court-appointed and Court-supervised trustee.

9 In performing this analysis, the Bankruptcy Court must determine the amount that
10 would be generated from a Chapter 7 liquidation of the Debtors’ assets after deducting the cost of
11 liquidation. The cost of liquidation would include the Trustee’s commissions (approximately three
12 to four percent of disbursements), the Trustee’s expenses, and fees for counsel and other
13 professionals retained by the Trustee, and Administrative Claims. In addition to liquidating the
14 Debtors’ assets, the Trustee must also decide whether to litigate certain claims and possibly other
15 litigation matters, with which he or she will have little initial familiarity as he or she will be new to
16 the case. Generally, no distribution is made in a Chapter 7 case until all assets of the bankruptcy
17 estate and all claims have been liquidated, a process that can take many months and sometimes
18 years. This delay could further impair the value of any distribution made to holders of Claims under
19 a Chapter 7 liquidation.

20 As the Plan is a liquidation plan, the Proponents are of the opinion that it is
21 unnecessary to prepare an additional analysis of the result that might occur through a liquidation
22 under Chapter 7 of the Bankruptcy Code.

23 The Proponents believe that if the Bankruptcy Case were converted to Chapter 7,
24 ~~theor if the Court appointed a~~ Chapter 7 Trustee to oversee the final liquidation of the Debtor and
25 the winding up of the Case, the trustee would not have the background information and knowledge
26 of the Bankruptcy Case to pursue efficient recovery of remaining assets or complete claim
27 objections. The Proponents believe that collection of the Debtor’s remaining receivables by the

1 Liquidation Trustee acting in the name of the Debtor and using Debtor's collections staff and
2 collections software will materially increase the amount collected over what a ~~Chapter 7~~ trustee
3 could accomplish. Unsecured creditors benefit if the Liquidation Trustee collects as much of the
4 Bank's receivables as possible, as that reduces the amount of the Bank's unsecured claim and means
5 that more of the assets that the Bank does not have a lien on will be available to unsecured creditors
6 Further, ~~the Chapter 7a~~ trustee would need to hire a HIPAA certified person to access the billing and
7 cost records, whereas the Liquidation Trustee will act as a corporate officer and director of the
8 Debtor, which is already HIPAA qualified. Finally, the Liquidation Trust Agreement provides that
9 the Liquidation Trustee will be compensated by commission according to the same sliding scale as a
10 ~~Chapter 7~~ Court-appointed trustee. Therefore, the costs of liquidating the Debtor's assets via the
11 Liquidation Trust will be no greater than via a Chapter 7 trustee, while the potential recoveries might
12 be significantly greater.

13 The Proponents also believe that the continuation of the Committee, as the Trust
14 Oversight Committee under the Liquidating Trust Agreement, provides important continuity in terms
15 of the legal work and investigation already conducted by the Committee and its attorneys with
16 respect to the Debtor's historical operations, the legal and factual basis for the assertion of claims
17 against the D&O Insurance, and the pursuit of Avoidance Actions. The Liquidation Trustee can start
18 to prepare for her takeover of the case prior to the Confirmation Hearing. While she would not start
19 her services until such time as the Plan is confirmed, she can start to think through the issues that are
20 involved, learn the history, and make suggestions for an efficient turnover of operations. The
21 Liquidation Trustee can also engage in advance planning for which if any employees are necessary
22 for the remaining activities, including avoidance action evidence, collections, and other issues that
23 will arise in an organized wind-down of the Debtor. In contrast, if a trustee is appointed by the
24 Court, there would not be the same opportunity to introduce the trustee to the issues remaining in the
25 case until after his or her employment. If there were a gap in time while the trustee determines what
26 is necessary, some of the remaining critical employees may not be available to work for the trustee.

27 The court-appointed trustee would also have to take the time to seek authority to
28

1 retain employees. The trustee would also need time to understand what assets are important to retain,
2 such as the use of computer programs, server leases, and real property leases if necessary. While
3 some of the costs to the estate of a Court-appointed trustee and a Liquidation Trustee would be
4 similar, such as how much the trustee would be compensated; ultimately creditors will benefit by the
5 continuity that the Liquidation Trustee can bring to this process.

6 The Plan and Liquidation Trust also streamline the management of the Debtor's
7 liquidation, an advantage that would be lost in a Chapter 7 where every transaction would require the
8 expense of Court approval and extensive notice. Further, it is extremely rare for a Chapter 7 trustee
9 to make interim distribution to creditors, meaning that holders of Allowed Claims will receive no
10 distributions in a Chapter 7 until the cases are fully administered and ready to be closed, which
11 would likely be much longer than it will take for the same creditors to receive at least a partial
12 distribution under the Plan.

13 The Proponents therefore believe that the liquidation under the Plan will achieve at
14 least the same results as would occur in the conversion of the Case to Chapter 7. The result can be
15 achieved without the duplication of administrative costs that would result from the appointment of a
16 Chapter 7 trustee and the employment of additional professional persons, and the delay attendant
17 with the administration of the assets in Chapter 7.

18 THE PROPONENTS BELIEVE THAT CONFIRMATION AND
19 IMPLEMENTATION OF THE PLAN IS PREFERABLE BECAUSE IT IS EXPECTED TO
20 PROVIDE GREATER RECOVERIES AND INVOLVE LESS DELAY AND UNCERTAINTY
21 AND LOWER ADMINISTRATIVE COSTS. ACCORDINGLY, THE PROPONENTS URGE
22 HOLDERS OF CLAIMS IN CLASSES 2, 3, AND 4 TO VOTE TO ACCEPT THE PLAN BY SO
23 INDICATING ON THEIR BALLOTS AND RETURNING THEM AS SPECIFIED IN THE
24 NOTICE.

25 **VII. RECOMMENDATION AND CONCLUSION**

26 The Proponents believe that the Plan provides the best possible recoveries for
27 creditors that can be achieved in any reasonable time frame (*but see Risk Factors, Article IV above*)

1 and that possible alternatives are likely to result in delayed distributions and diminished recoveries
2 for creditors. Therefore, the Proponents urge all Holders of Claims in Classes 2, 3 and 4 to vote to
3 accept the Plan.
